

Water District Board Chairman Runs For Reelection

Second in a Series
of Two

Harry Griffen, 64, of 8305 Alton dr., Lemon Grove, is the incumbent in the Lemon Grove-Spring Valley area of the Helix Irrigation District. He is being challenged in Tuesday's election by Richard Allen, 58, of Spring Valley.

Allen is a director of the S.V. Fire District board. He has had no previous water board experience.

Griffen has served on the Helix Irrigation District board for 21 years and is chairman of the board and president of the district. As president he is

Harry Griffen

the senior officer and has the responsibility as the contracting officer for the 165,000 people who depend on Helix for water. As chairman of the board he conducts board meetings.

Griffen is also treasurer and has been director of the San Diego County Water Authority Assn. for 15 years. His term expires in 1977.

He has been director of the Metropolitan Water District of Southern California for the past 8 years. He has been vice president of the Irrigation Districts Association of California for 20 years and is chair-

man of the California Districts Securities Advisory Commission — a post to which he was appointed by former Gov. Pat Brown; later confirmed by Gov. Reagan, and re-confirmed by Mrs. Ivy Baker Priest when the District Securities function was placed under the State Treasurer's department. DSC is charged by Legislature with maintaining the fiscal integrity among the districts in the State.

Executive Committee
Griffen has been a member of the executive committee of the Southern California Water Conference for 10 years. SC-

WC coordinates efforts of groups who either oppose or approve water legislation as it develops.

Griffen is charter president of the Lemon Grove Rotary club and past president of the La Mesa club. He now has the designation of honorary Rotarian.

He was trustee of the Grossmont Union High School District 1938-1941 and trustee of the Lemon Grove School District 1947-1951 and was chairman of the board twice.

He is now president of the Mt. Helix Associates Inc., a financial group involved in

property management and investments. He is listed in "Who's Who in the West."

As a director of Helix, he and his board have the responsibility of keeping water flowing to district users. Without the aid of the various water organizations Griffen belongs to, there could be no assurance that water would be available for newcomers.

Griffen said his philosophy on water is that the district has a product which is saleable. It should be sold what it is worth and thus relieve property owners of the burden of irrigation district tax-

es. Under his guidance, Helix announced two years ago a 20 per cent a year cut in taxes in each of the ensuing five years. This was commenced and in 1973 there will be no district property tax at all. Even without a tax bite the district will have the lowest rates of any comparable water district anywhere in San Diego County, Griffen said.

Policy of the District is to provide every user with adequate pressure to serve modern conveniences; provide pipelines designed for sufficient fire flow to safeguard residents in case of fire, and

to provide all users with completely treated water through the \$3 million facility at Lake Jennings, he said.

No More Taxes
Griffen said that after the property tax is stopped, water rates will be examined every year with an eye toward reducing or increasing water rates in line with the operating needs of the District.

"District users are generally satisfied with the quality and quantity of water Helix provides," Griffen said. Equally important is the Fire District's evaluation of the Helix

The DIMMER VIEW

For A Happier Christmas

It's almost Christmas again. As it approaches, a popular holiday project gets under way.

It is the eleventh consecutive year for Operation Orphan. It is administered each year by journalists of San Diego County but the public is invited to participate.

As background, Operation Orphan is sponsored by the San Diego chapter of Sigma Delta Chi, the national professional journalistic society. The chapter is made up of most of San Diego County's newsmen. Operation Orphan is the only project the chapter undertakes which is not strictly associated with professional newsgathering.

Operation Orphan involves fulfilling the Christmas wishes of the girls who live in the House of the Good Shepherd orphanage in Mexicali. This is done by requesting a letter to Santa Claus written by the individual girls. The letters are sent to the Chapter for distribution.

The letters are written in English on a blackboard by the nuns at the orphanage, and the girls, who cannot write English, then copy the sample containing what they want and need most. The orphanage is at Medro and G streets in Mexicali.

Customarily they ask for either a sweater, material for a dress or a pair of shoes, plus odds and ends like combs, brushes, undies and the like. The usual cost of the total request runs \$7-\$10, give or take a buck or two and depending what the giver wants to add. The giving becomes personal because the letter contains the girl's name, age, weight, height, size of shoes, bust and waist.

Many Sigma Delta Chi members already are involved and have participated since the onset of the project. They collect all the gift packages and just before Christmas load them into trucks and take them to the orphanage. A professional Santa Claus, Tony Gearhard, a well-known sports personality is taken, and a caravan is formed at a restaurant in Pine Valley. Last year, nearly 100 persons took the trip and each year the caravan becomes larger.

The project started during one of the annual Mexican-American press soirees at an old casino south of Tijuana. While we in SDX were in the casino enjoying the festivities, someone noticed a group of little girls milling around the yard. Investigation revealed that we had taken over the temporary sleeping quarters of about 40 orphan girls who were on the coast enjoying the ocean through the generosity of a Mexicali bus owner. They were staying at the casino but had to get out while the press party was under way.

We learned that the girls, ranging in age from 2 to 18, lived in the House of the Good Shepherd and did not celebrate Christmas with a gift exchange because they were too poor. The nun in charge was asked to have the smaller children write letters to Santa requesting their needs with the promise that we would try to get them fulfilled.

Resulting publicity from friendly newsmen made it easy to dispose of the few letters, so all the 150 girls in the orphanage were asked to write letters. They did and eventually they were distributed. We took the gifts to the orphanage and gave the girls their first Christmas in history at which they received something brand new.

We later learned that the girls are taught to sew, but that only one sewing machine was available to them. A little friendly publicity brought in 63 machines, which we took to them. They had to build a building to house them and the girls who became accomplished seamstresses.

The project has continued through the help of many and through the generosity of many — and it is going on again

Old Time Days Dates Changed; Conflict in Parades Cited

Old Time Days will be marked in Lemon Grove on May 12, 13 and 14, it was decided last week by the committee.

It was moved up a week because of a conflict in the date with the Armed Services Parade, according to Ivan McDermott, OTD president.

The committee also decided on a theme. It will be "Gay Nineties".

Bob Mastny was re-elected parade chairman and Red Goff was again named communications chairman.

George Tonner will be Kick Off dinner chairman with the date of the event to be announced. Historically it precedes Old Time Days by about

a week. If a dinner facility is available for the date, April 29 will be chosen.

Dr. Jerry Legerton was named public relations chairman.

President McDermott said that the annual membership drive would be started next month. This activity is generally restricted to the business district.

He also asked three committee chairmen to provide a parade marshal — someone from movies or a teevee show — if possible.

He also set Wednesday, Nov. 27, as the time of the next OTD meeting. It will be at the Chamber office at 3415 Imperial ave. at 7 p.m.

Planning Group Meeting Due November 3

The second in a series of meetings for the purpose of preparing a planning committee for Spring Valley will be held next Wednesday evening in the gymnasium at Monte Vista High School at 7:30 p.m.

The meeting, to which all interested residents and property owners in Spring Valley and surrounding areas have been invited, will be to form the committee, an executive committee, and a community plan.

The meeting is a follow-up to an earlier meeting held at Monte Vista last spring to determine if there was enough interest to proceed with the development of a local planning group.

Community interest in the master plan concept began with students at Monte Vista and Mount Miguel High School, who sent flyers and went door-to-door explaining the concept and seeking local people interested in the meeting. Largely through the students' efforts, over 600 attended the first meeting.

The Spring Valley Chamber of Commerce, along with other civic and service clubs, are supporting the meeting. The meeting should prove to be a key step by citizens in securing local control and direction for the development of the area, according to Chamber President Bill Fitzpatrick.

The meeting will give "the citizens an opportunity to have a say in resolving problems locally and planning for the future", Fitzpatrick added.

The meeting is authorized by the County Planning Commission and the Board of Supervisors. It is vital that a cross-section of the community is represented.

The group will eventually lead up to a planning organization similar to the Lemon Grove Planning Association, which was officially recognized by the county late last year.

L.G. Crusade Drive Stands At 13 Percent

Lemon Grove's United Crusade drive now stands at 13 percent of its \$8,980 goal as announced on October 20 at the first countywide "Victory" report meeting in San Diego Stadium.

Progress on the \$6 million United Crusade goal after the first four weeks was given at 19 percent. The campaign was launched September 23 and will run until November 17.

"Although we had the highest percent of a major goal of all East County area communities," commented Jim Boyd, Lemon Grove 1971 Crusade chairman, "we still have a long way to go."

"We are being asked to show 50 percent of goal at the second report meeting November 3 and a victory at the last meeting November 17. In dollars and cents this means raising \$3,351 in 2-weeks and \$7,811 in 4-weeks."

No Agreement Reached By School District, Developers

FLASH FLOOD — Portions of Lemon Grove were flooded Sunday afternoon when an underground water main broke at 1 p.m. at North and Main. The water poured out, covering much of Broadway from Main to Buena Vista. North ave. was closed for much of the afternoon. The water was

finally shut off at 2:30 p.m. by officials from the Helix Irrigation District, but not until several offices in the area were flooded, causing extensive damage.

L.G., S.V. Voters To Go to Polls Tuesday

Voters in Lemon Grove and Spring Valley will go to the polls Tuesday to select three directors of the Spring Valley Fire Protection District, two directors of the Lemon Grove Fire Protection District, and one director of the Helix Irrigation District.

Those running for position on the Spring Valley Fire Board are Richard Allen, Stan Totten, and Virgil Steffen, all incumbents, and Chester Abood, on the ballot for the first time.

Polling places for the Spring Valley Fire election will be 4210 Massachusetts, La Mesa; 10103 Vavera dr., La Mesa; 11625 Fuerte dr., La Mesa; 10102 Ramona dr., Spring Valley; 3900 Conrad dr., Spring Valley; 3230 Sweetwater Springs rd., Spring Valley; 3845 Spring dr., Spring Valley; 8853 Troy st., Spring Valley; 8845 Noeline ave., Spring Valley; and 905 Gillespie dr., Spring Valley.

Lemon Grove voters will elect two of three candidates for the board. The candidates are Parker Shumate and John Hemen, both incumbents, and Joe Ouellette, running for the first time.

Ballots will be cast at 7059 San Miguel rd., Lemon Grove; 7866 Lincoln st., Lemon Grove; 8425 Palm st., Lemon Grove; 1750 Madera, Lemon Grove; 7550 Canton dr., Lemon Grove.

Voters in Lemon Grove and one portion of Spring Valley will elect one director for the Helix Irrigation District Board. Harry Griffen is the incumbent and Richard Allen is running against him for the first time.

Polling places will be at 7059 San Miguel, Lemon Grove; 7866 Lincoln st., Lemon Grove; 8425 Palm st., Lemon Grove; 1750 Madera, Lemon Grove; 7550 Canton dr., Lemon Grove; 4210 Massachusetts, La Mesa; and 8853 Troy st., Spring Valley.

CoC Meeting Postponed

The Chamber has postponed this week's meeting because of the absence of 10 of its board members, according to Bob Russell, chamber president.

The date was changed to November 18 at noon at Pal's Cafe, at the corner of Imperial and Lester st.

Record 13 New Members Signed by L.G. Chamber

Rita Wells, 3833 Costa Bella, who was named head of the membership department of the Lemon Grove Chamber of Commerce earlier this month, turned in the names of 11 new members this week.

Meanwhile, two others became members because of some previous effort.

The thirteen new members raises the total membership to 112 — a gain of approximately 13 per cent.

Mrs. Wells signed up the following:

The other two were: Dr. James Kenaga
7600 Pacific avenue
Mather and Rowe Outboard
8772 La Mesa Blvd., La Mesa
It was the largest sign-up of members by one per-

son in recent history, Bob Russell, chamber president said. Mrs. Wells said, "Things are looking very good. I have a great number of prospects who will be signing up in the near future. This week I'm making call-back calls."

Interim Zoning Topic of Today's Planning Meeting

Interim zoning will be the subject of today's meeting of the Lemon Grove Planning Association, it was announced this week by President Jim Dorman.

The meeting will be at the Golden Avenue School on School lane starting at 3 p.m.

The discussing will precede by five days the County Board of Supervisor's consideration of the matter. The Association will make a recommendation based on the will of the membership, President Dorman said.

The Association meets on alternate Thursdays.

PRD to Add Burden To Taxpayers

An agreement between the Lemon Grove School District and the Pacific Bay Development Company has not come about, and the way things looked Tuesday night, will probably not come about — at least in the near future.

At a meeting of the school board two weeks ago, an agreement was submitted to trustees for approval, which called for the developers to provide money to the district to compensate for an increase in students expected by the construction of the Imperial 80 planned residential development, which would put nearly 400 new units in the district.

Trustees amended the agreement, deleting a line that said the agreement was put together solely to meet requirements of San Diego City Policy 600-10, which calls for developers in the San Diego City Limits to provide temporary school facilities for students resulting from construction of new housing.

The development would lie in San Diego, but most of the students would attend Lemon Grove schools, as school district boundaries overlap San Diego City boundaries.

The agreement was rejected because of the deletion, according to the developers. Without the agreement, the developers will try to gain City Council approval for the development without rendering aid to the local school district.

If they are successful, a tax burden would be placed on local property owner to meet the expenses of educating the new children, according to Paul Reynolds, school district manager.

Reynolds indicated that about \$150 per unit would be needed to provide temporary classroom for the youngsters for a period of three or four years. Costs of a new school facility would run about \$800,000, all of which would come from local tax dollars.

The developers will present their case at a hearing of the City Council this morning at 10 a.m. and local educators and property owners are expected to be on hand to protest.

Daylight Time Ends

Lemon Grove residents who don't want to show up an hour early for church Sunday will remember to turn their clocks back an hour before retiring Saturday night.

Daylight savings time officially ends at 2 a.m. Sunday morning.

Alfred Cesena
Army Specialist Four Alfred Cesena, 21, son of Mr. and Mrs. Alfred S. Cesena, 7853 Pacific ave., Lemon Grove, is participating with more than 11,000 troops in exercise Reforger III in Germany.

He is an armored personnel carrier driver with Company A, 1st Battalion, 18th Infantry of the 1st Infantry Division at Ft. Riley, Kansas.

The "Big Red One" Division consists of three brigades. The 1st and 2nd brigades are based at Ft. Riley and the 3rd brigade is permanently stationed at Augsburg, Germany.

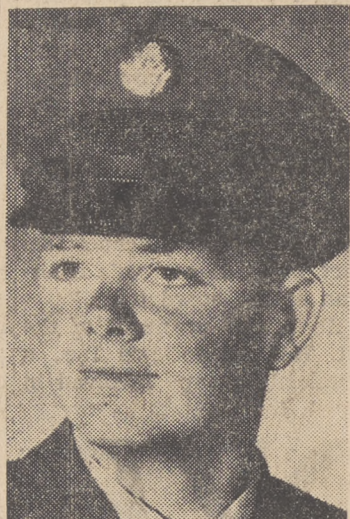

The men of the 1st and 2nd Brigades, with support units, flew to Germany to join the 3rd and move to the exercise area extending from Munich to near the Czechoslovakian border. Emphasis in the exercise was placed on testing procedures for receiving, assembling and deploying Army units once they arrived, rather than on rapid air transport from the U.S.

In the field maneuver phase of the exercise, units of the 1st Infantry Division and the Canadian 4th Mechanized Battle Group engaged in simulated combat with the "aggressor forces" of the U.S. 1st Armored Division and the German 35th Panzer Grenadier Brigade.

Exercise Reforger III is the third annual operation in the series. The exercises are designed to fulfill U.S. commitments to NATO and those made in the 1967 Trilateral Agreement between the U.S.,

the United Kingdom and the Federal Republic of Germany.

Rickey Morrison
United States Army Captain Rickey D. Morrison, son of Mr. and Mrs. W. D. Morrison, of 8533 Troy st., Lemon Grove, arrived at Balboa Naval Hospital Saturday for treatment of injuries received in action while he was serving in Korea last week.

Morrison, who flies twin-engine turbo-planes for the Army, was injured when a malfunction in the plane forced a crash-landing. He sustained two broken vertebrae and broken ankles, according to his family.

Following the mishap, he was evacuated from Korea by jet and transported to San Francisco Thursday and arrived in San Diego Saturday. Morrison is a 1969 graduate of Mount Miguel High School and attended Grossmont College before joining the service.

Gerald Minor
Airman Gerald E. Minor, son of Mr. and Mrs. John N. Minor, of 9128 Orville st., Spring Valley, has received his first U. S. Air Force duty assignment after completing basic training at Lackland AFB, Tex.

The airman has been assigned to a unit of the Strategic Air Command at Kincheloe AFB, Mich., for training and duty in the air traffic control field.

Airman Minor is a 1971 graduate of Mount Miguel High School.

David Mowery

Airman David A. Mowery, son of Mr. and Mrs. Woodrow C. Mowery Jr., 1116 Elkerton blvd., Spring Valley, has completed basic training at Lackland AFB, Tex. He has been assigned to Sheppard AFB, Tex., for training in accounting and finance.

Airman Mowery, a 1966 graduate of Mt. Miguel High School, attended San Diego State College.

Bruce Kolze

Navy Petty Officer Second Class Bruce A. Kolze, son of Mr. and Mrs. M. W. Kolze of 10302 Don Pico rd., Spring Valley, recently crossed the Equator enroute to the Indian Ocean from Singapore aboard the attack aircraft carrier USS Enterprise, and was confirmed a member of the mythical order of "Shellbacks" following traditional initiation rites.

Charles Gipp

Sergeant Charles W. Gipp Jr., son of Mr. and Mrs. Charles W. Gipp Sr., 10651 Challenge blvd., Casa de Oro, was administered the U. S. Air Force oath of enlistment at Duluth International Airport, Minn., after being selected for career status.

Sergeant Gipp, a protection equipment specialist at Duluth, was approved for re-enlistment by a board which considered his character and job performance.

A 1966 graduate of Crawford High School, he attended San Diego City College. The sergeant's wife, Cindee, is the daughter of Mr. and Mrs. Gordon Rambert, 415 Lane, Lake Bluff, Ill.

FASHION MODELS — Elva Fife, left, of the Colina Del Sol Senior Citizen's Club, and professional model Connie Collier show some of the fashions that will be modeled at two fashion shows at the College Grove Walker Scott store next week. Senior Citizens will serve as models in the first show, set for November 4, while Miss Collier will be joined by other professionals for the

November 5 show. The shows will be in the Grove Room at the store, with Collette Michelle serving as commentator. Proceeds of the shows, set for 11:30 a.m. and 2:30 p.m., will go to the senior citizen's group and the Lemon Grove Catholic Daughters Court. Tickets may be purchased at the store.

AREA OBITUARIES

Memorial Services Held Friday For O. E. Olson

Memorial services were held Friday morning at the Lemon Grove Lutheran Church for

Odin E. Olson, of 2258 Debo dr., Lemon Grove, who died October 20 at Villa View Hospital.

C. C. Stowers

Funeral services were held Wednesday afternoon at the Conrad Lemon Grove Mortuary Chapel for Clifford C. Stowers, 60, of 1949 Klauber dr., Lemon Grove, who died October 22 at University Hospital.

Stowers, who was born in Kentucky, lived here for 25 years, and was employed for 14 years with Solar, Division of International Harvester Company. He was a veteran of World War Two and a member of the American Legion. Interment was in Glen Abbey Memorial Park.

Survivors include his wife, Alice; a daughter, Lynne K. Stowers, of the home; seven brothers, and nine sisters.

Entombment for the native of Norway was in Glen Abbey Mausoleum, with Conrad Lemon Grove Mortuary in charge of arrangements.

Olson, who lived in this area for nine years, was a member of the Sons of Norway, the Veterans of World War One, Barracks No. 1174, and the Lemon Grove Lutheran Church.

He is survived by his widow, Bergliot Olson; a daughter, Mrs. Adelaine Lange, of Spring Valley; three sisters, Agnes Edvardson, Gudrun Edvardson, and Ingeborg Paulsen, all of Norway; and a granddaughter, Sylvia Good, of Spring Valley.

The family suggested contributions to the church's memorial fund.

Art Auction Set At Mercy Ball

Mrs. Louis J. Mylligan, chairman of the Art Auction committee for the Mercy Ball, scheduled for Saturday at the Town and Country Hotel's Convention Center, said that a number of leading Southland artists and collectors have donated works to be auctioned at the benefit ball.

"The artists this year are interested in giving some of their best works," said Mrs. Mylligan. "We are very fortunate to have such selected work for the auction."

General co-chairmen for the annual Mercy Ball are Mrs. Harry E. Farb and Mrs. Henry G. Fenton. The ball will begin at 6:30 p.m. with a social hour and art preview. This will be followed by the art auction, champagne dinner and dancing to the Ray Noval Orchestra.

Proceeds from the ball will go toward the purchase of electronic monitoring equipment for Mercy Hospital and Medical Center's new Surgical Intensive Care Unit, Sister M. Placida, Administrator, said.

Because of a higher hearing range, cats respond more readily to the call of a woman's voice.

Historical Society Meet Planned November 4

The Spring Valley Historical Society will have its next regular meeting Nov. 4 instead of Nov. 3, due to a County Planning Commission meeting Nov. 3, in the Monte Vista High School, said Mrs. Charlotte Phillips, vice president of the Society.

The S.V.H.S. will be meeting in the old adobe building or the Chamber of Commerce hall on Memory Ln., and the meeting will be open to the public.

ROTARY REWARD — It took a joint meeting of the Lemon Grove and La Mesa Rotary clubs last week to properly honor former president Harry Griffen. Griffen is past president of the La Mesa club and charter past president of Lemon Grove's.

He was also honored for his contribution to residents of the two communities as an officer of the Helix Irrigation District and other water authorities.

In the photo is Griffen holding three state resolutions praising him for his work. In the foreground is a folio filled with congratulatory messages from all over the state. He is flanked by La Mesa Rotary club president Dr. Dave Pascoe, left, and Thomas S. Clayton, past president of the Lemon Grove club.

Griffen said that serving a public office "is like living in a showcase. Everything you do is everybody's business—but I love it."

Hardison's Telespanish

By JAMES HARDISON

Perhaps you have heard the cowboys on television say something that sounds like "vam-moos." It usually comes into the conversation when they want their adversaries or their partners to "move out" or "get going." Actually this "vam-moos" expression is taken from the Spanish word "vamos" which is pronounced "VAH-mohs" and can mean "let's go" or "we are going."

"Vayanse," pronounced "VAH-yahn-seh," might be a better selection of a Spanish word to command their partners or enemies to "Get out!" or "All of you move out!" "Vayanse" is always directed to more than one person. Another example of its use is seen in the phrase "Vayanse de esta casa," for "All of you get out of this house." In the negative form for this expression the suffix "se" is placed in front of the verb as may be seen in "No se vayan" and translated "Don't you leave."

"Vete" is the command form used when speech is directed to only one person. "Vete de aqui," is an example of how "vete" is used in the command "You get out of here."

"Vamos" is a more polite way to say "Let's go" or "We go." We may see "Vamos" in expressions like "Vamos mañana" (Let's go tomorrow) or "Vamos ahora" (Let's go now). More extensive phrases are seen with "Vamos" in "Vamos a comer," which may be translated "Let's eat," or "We are going to eat," and "Vamos a ver," for "Let's see," or "We are going to see." "No vamos ahora" is the negative way to say "We are not going right now."

Spanish words listed below are for your learning pleasure. They show the various ways that "Vamos," "Vete," and "Vayanse" may be used with other words to form phrases. You may enjoy practicing them aloud with the aid of the recorded voice that will lead you in a pattern practice of proper pronunciation when you dial 276-9700.

IMPORTANT PHRASES:
Say "Vamos a comer" (VAH-mohs ah koh-MEHR) for "Shall we eat?"
Say "Vamos ahora" (VAH-mohs ah-oh-rah) for "Let's go now."

Letters To The Editor

October 17, 1971
Dear Editor:

I do not know whether all of our people know and appreciate the great dedication that is being given by most of the public servants serving on Boards and Commissions of the districts and the state, especially as it relates with the supplying of water to the people of our own area and of southern California.

We are fortunate in having

the services of men like Mr. Harry Griffen who has not only served our own community and our own district for a long period of time, but has also been chosen because of his ability, dedication, intelligence, and knowledge of these affairs on the great Metropolitan Water District which covers all of southern California.

Furthermore, he has been chosen by the Governor of the State of California, both Gov-

ernor Brown and Governor Reagan, having him on the job where he is serving without compensation or remuneration for the welfare of the people of our state and for the sake of free enterprise as run by the people.

Harry Griffen is coming up for a vote for a re-election to the Helix Irrigation District and I call on all of my friends and acquaintances in this district to get behind Harry so

that he may continue the great work that he is accomplishing for the people of the State of California and for our own District.

You know that I have been President of United Tax Association for a number of years and as such I have mingled with tax associations throughout the state. I am of the opinion that men of integrity, intelligence, and vision

Program Set At Downtown 'Y'

Enrollment is now underway for a "Kindergym and Swim" program at the Downtown YMCA, 1115 Eighth Ave., San Diego. Each child enrolled will create, explore and discover himself and the world around him. Emphasis is placed on grass motor skills and movement, self-discipline, self-esteem, and peer group relationships.

Classes will meet November 8 through December 16. There are three different time sessions to choose from: Monday and Thursdays, 9 to 10:15 a.m.; Tuesday and Friday, 9 to 10:15 a.m.; and Tuesday and Thursday, 1:30 to 2:45 p.m.

The class is instructed by William Friend, child health and development specialist.

Monte Vista Wins First Loop Game Friday Night

By Tom Blattler

The Monte Vista Monarchs, led by the running of Tim Murphy and Bob Shipley, slipped by the winless El Cajon Braves, 7-6, last Friday night at Monte Vista Stadium.

Murphy, a 170-pound tailback, was the game's leading rusher with 109 yards in 16 carries and scored the lone Monarch touchdown.

Shipley, a 205-pound fullback, picked up 54 yards in 13 carries, but also paved the way on many of Murphy's runs with fine blocking.

The Monarchs might also have one of the finest young quarterbacks in the county in junior Art Spahr.

Spahr completed his first six pass attempts in the first half, and only a heavy fog kept him from connecting on his other four attempts. Art finished the game with six com-

pletions in 10 tries for 48 yards.

The six completions for Spahr puts him second in the league standings behind Helix' Jim Browning with 37 passes in 75 attempts for 324 yards and a touchdown pass.

Spahr said after the game that it was so foggy that he could not see his receivers in the second half.

On Monte Vista's first drive of the night, they marched 78 yards in 16 plays to score capped by a four-yard run by Murphy. On that drive, Spahr connected on four straight passes and Murphy and Shipley ran through Brave defenders to set up Monte Vista's only score of the night.

The game was a very tough defensive struggle with both teams doing some hard hitting.

El Cajon's offense only showed flashes twice in the contest. Once late in the second quarter, but the Monarch defense toughened and the Braves' offense stalled.

The other occasion, the Braves scored their only points, a three-yard run by Geno Sutor. The tally was set up by a 34-yard pass from senior quarterback Bob Lucas to wide receiver Mike Snow. But the extra point was not successful and the scoring ended at 7-6 in favor of Monte

Vista.

The Monarchs moved the football with consistency throughout the game, but were able to cross pay dirt only once because of costly penalties and a tough El Cajon defense.

Monte Vista also sports the Grossmont League's leading pass receiver in junior split end Mark Maley. Maley has grabbed 13 receptions for 16 yards for a 12.4 yard per catch average and one touchdown.

Along with flanker Ken Margulls, Maley, and Spahr, Monte Vista may have one of the best passing attacks in the Grossmont League.

The Helix Highlanders will be Monte Vista's next opponents tomorrow night at Monte Vista Stadium. The Highlanders are now tied for first place with Grossmont. Both have 4-0 in league competition.

Helix is led by quarterback Jim Browning and running-backs Frank Woolrich and Sam Smith.

Browning is the league's leading passer with 40 completions in 63 attempts for 634 yards and five touchdowns passes. Woolrich is the Grossmont League's top rusher with 534 yards in 82 carries. Woolrich has a 6.5 yard average and has scored five touchdowns.

HAPPY QUEEN — Kim Godwin, a senior at Monte Vista High, was among many happy Monte Vistans last Friday night. After she was named homecoming queen at halftime, the Monarch footballers went on to claim a 7-6 win over El Cajon, for the first Monte Vista win of the league season. The queen was selected from among fifteen young ladies. (John Gross photo)

Padres Make Changes In Front Office Staff

Elten Schiller, a baseball executive for more than 23 years, today was named director of operations for the San Diego Padres.

The announcement was made by Eddie Leishman, Padre general manager.

Leishman said that Schiller, 48, would have responsibility for the club's ticket sales and distribution, day-of-game stadium operations and would supervise promotions.

Leishman also announced the following front office appointments:

Mike Port, 25, was named promotions director.

Bill Davidson, 34, was named director of season ticket sales.

Tom Mulcahy, 38, was named director of group ticket sales.

Schiller, who has extensive experience with several minor league teams and was named minor league executive of the year in 1961, most recently was the general manager of Spokane, the Los Angeles Triple A team in the Pacific Coast League.

Port, a graduate of Fallbrook High School and USIU, for two years served as general manager of the Padre minor league team at Lodi of the California League.

He originally was signed to a San Diego contract as a player and moved from the field to front office duties.

Davidson, a graduate of USC, joined the Padres last summer and has worked in

the ticket department.

Mulcahy is a former professional baseball player and had been employed by the Padres as a scout in the Seattle area. He is a graduate of Gonzaga U.

Leishman also announced that Al Hogan and Harold Parrott had been reassigned and would work in advertising sales and publications for the club.

One-Day Seminar Planned for Parents

Lemon Grove and Spring Valley parents are eligible to be among the first delegates to a unique convention designed specifically for mothers and fathers.

Sponsored by the non-profit Committee on Parenthood Education, the first annual "Up With Parents" convention will be conducted Saturday, Nov. 13 in the Town and Country Convention Center.

The one-day seminar in the very special science of parenting will cover advances in child development, communication and education, with speakers including psychologists Dr. Fitzhugh Dodson and Dr. Thomas Gordon.

Author of "How To Parent," Dr. Dodson will deliver the convention keynote address and will chair a feedback panel. Dr. Gordon, a "parent training" pioneer, has written "Parent Effectiveness Training."

'Hillers Overcome 15-14 Deficit

Late Touchdown Helps 'Hillers Avert Mt. Miguel Upset, 21-15

By Paul Stark

The Mount Miguel High School football team became the first team in the league to compete with the Grossmont Foothillers last Friday night, and the 'Hillers barely escaped with a 21-15 victory.

The 'Hillers tallied twice on pass plays to Steve Ford, including the game's final score, a 33-yard aerial through the fog with less than two and a half minutes to go in the contest. The six pointer erased a 15-14 Mount Miguel lead.

Mount Miguel opened things on the scoreboard after a punt exchange by driving 55 yards to the 'Hiller 23-yard line, where the local squad was faced with a fourth down and eight situation.

At that point, the Matadors elected to go for the field goal, with Jess Jenner handling the kicking chore. Jenner connected from 38 yards out to give the Mats the lead, 3-0.

Trailing 3-0 with 4:10 left in the second quarter Grossmont marched 51 yards in 8 plays with 33 yards coming through the air.

Mike Rundle, on a third and eight situation, threw his first touchdown pass when he connected with Steve Ford for 27 yards and his first touchdown of the game. Chuck Norton's extra-point try was good.

A minute later the Foothillers scored again after driving 49 yards in 5 plays with 37 yards coming on the ground. Larry Olson capped the drive

when he ran 16 yards up the middle for the touchdown. Norton's kick was good.

With 2:30 left in the half Mount Miguel defender Mike Rathje intercepted a Rundle pass intended for Ford, and

scrambled 54 yards for a touchdown. Jess Jenner tried for a two-point conversion but failed.

Trailing 14-9 in the fourth quarter Mt. Miguel marched 52 yards in 12 plays to take the lead. Tim Miller, on a third and twelve ran 13 yards up the middle for the touchdown. Jenner tried to pass for a two-point conversion but the pass was incomplete, and the score was 15-14.

After the subsequent kickoff, the 'Hillers put together the game's final scoring drive, which ended with Ford's touchdown reception. Rundle tossed the ball into the fog, and somehow Ford managed to come up with the reception and the score.

Despite the Grossmont victory, Mount Miguel established itself as a football power, being the first team to hold the 'Hillers to less than 30 points in the league season and the first team to come within six points of title-bound Grossmont.

Tomorrow night, Mount Miguel will tangle with another explosive-type team when the local team invades Granite Hills. Last week, the Eagles gave El Capitan heart failure by compiling a 33-6 halftime edge before collapsing in the second half to give the Vaqs a 44-39 win.

The single factor that gives Granite Hills a good shot at the Matadors is quarterback Joe Roth, who fired five TD passes in the El Cap game. Mount Miguel last week showed a better air defense, however, and could give Roth some trouble.

The Granite Hills defense, which has been full of holes lately, should provide easy pickings for Don Cowan and Tim Miller, and could even entice Matador quarterback Jess Jenner into throwing a few passes.

Mount Miguel will keep in mind a 35-14 thrashing last year at the hands of the Eagles when the opening kick-off takes place at 8 p.m.

Chargers, Jets Set For Duel In San Diego

"New York, New York," the nation's most famous address, is the schedule for the San Diego Chargers the next two games.

The New York Jets (2-4) invade San Diego Stadium to battle the Chargers (2-4) this Sunday at 1 p.m.

The Chargers then turn around and jet to New York to play the Giants at Yankee Stadium on Sunday, Nov. 7.

San Diego actually began its New York series last Saturday night by defeating Western New York (Buffalo Bills), 20-3, before 49,261 at San Diego Stadium.

A game against the Jets normally would signal hazardous duty for the Charger pass defenders. But Joe Namath still is on the sidelines and the New York offense now features a powerful running attack. Emerson Boozer, rookie John Riggins, George Nock and returning Matt Snell are the perpetrators.

San Diego will probe New York with running backs Mike Garrett and Leon Burns. Garrett rushed for 94 yards and Burns had his best day with 87 yards against Buffalo. With 293 yards and a 4.2 average rushing and 22 pass catches, Garrett is having a banner year.

Library Stories Set

How to save money on your gas and electric bills.

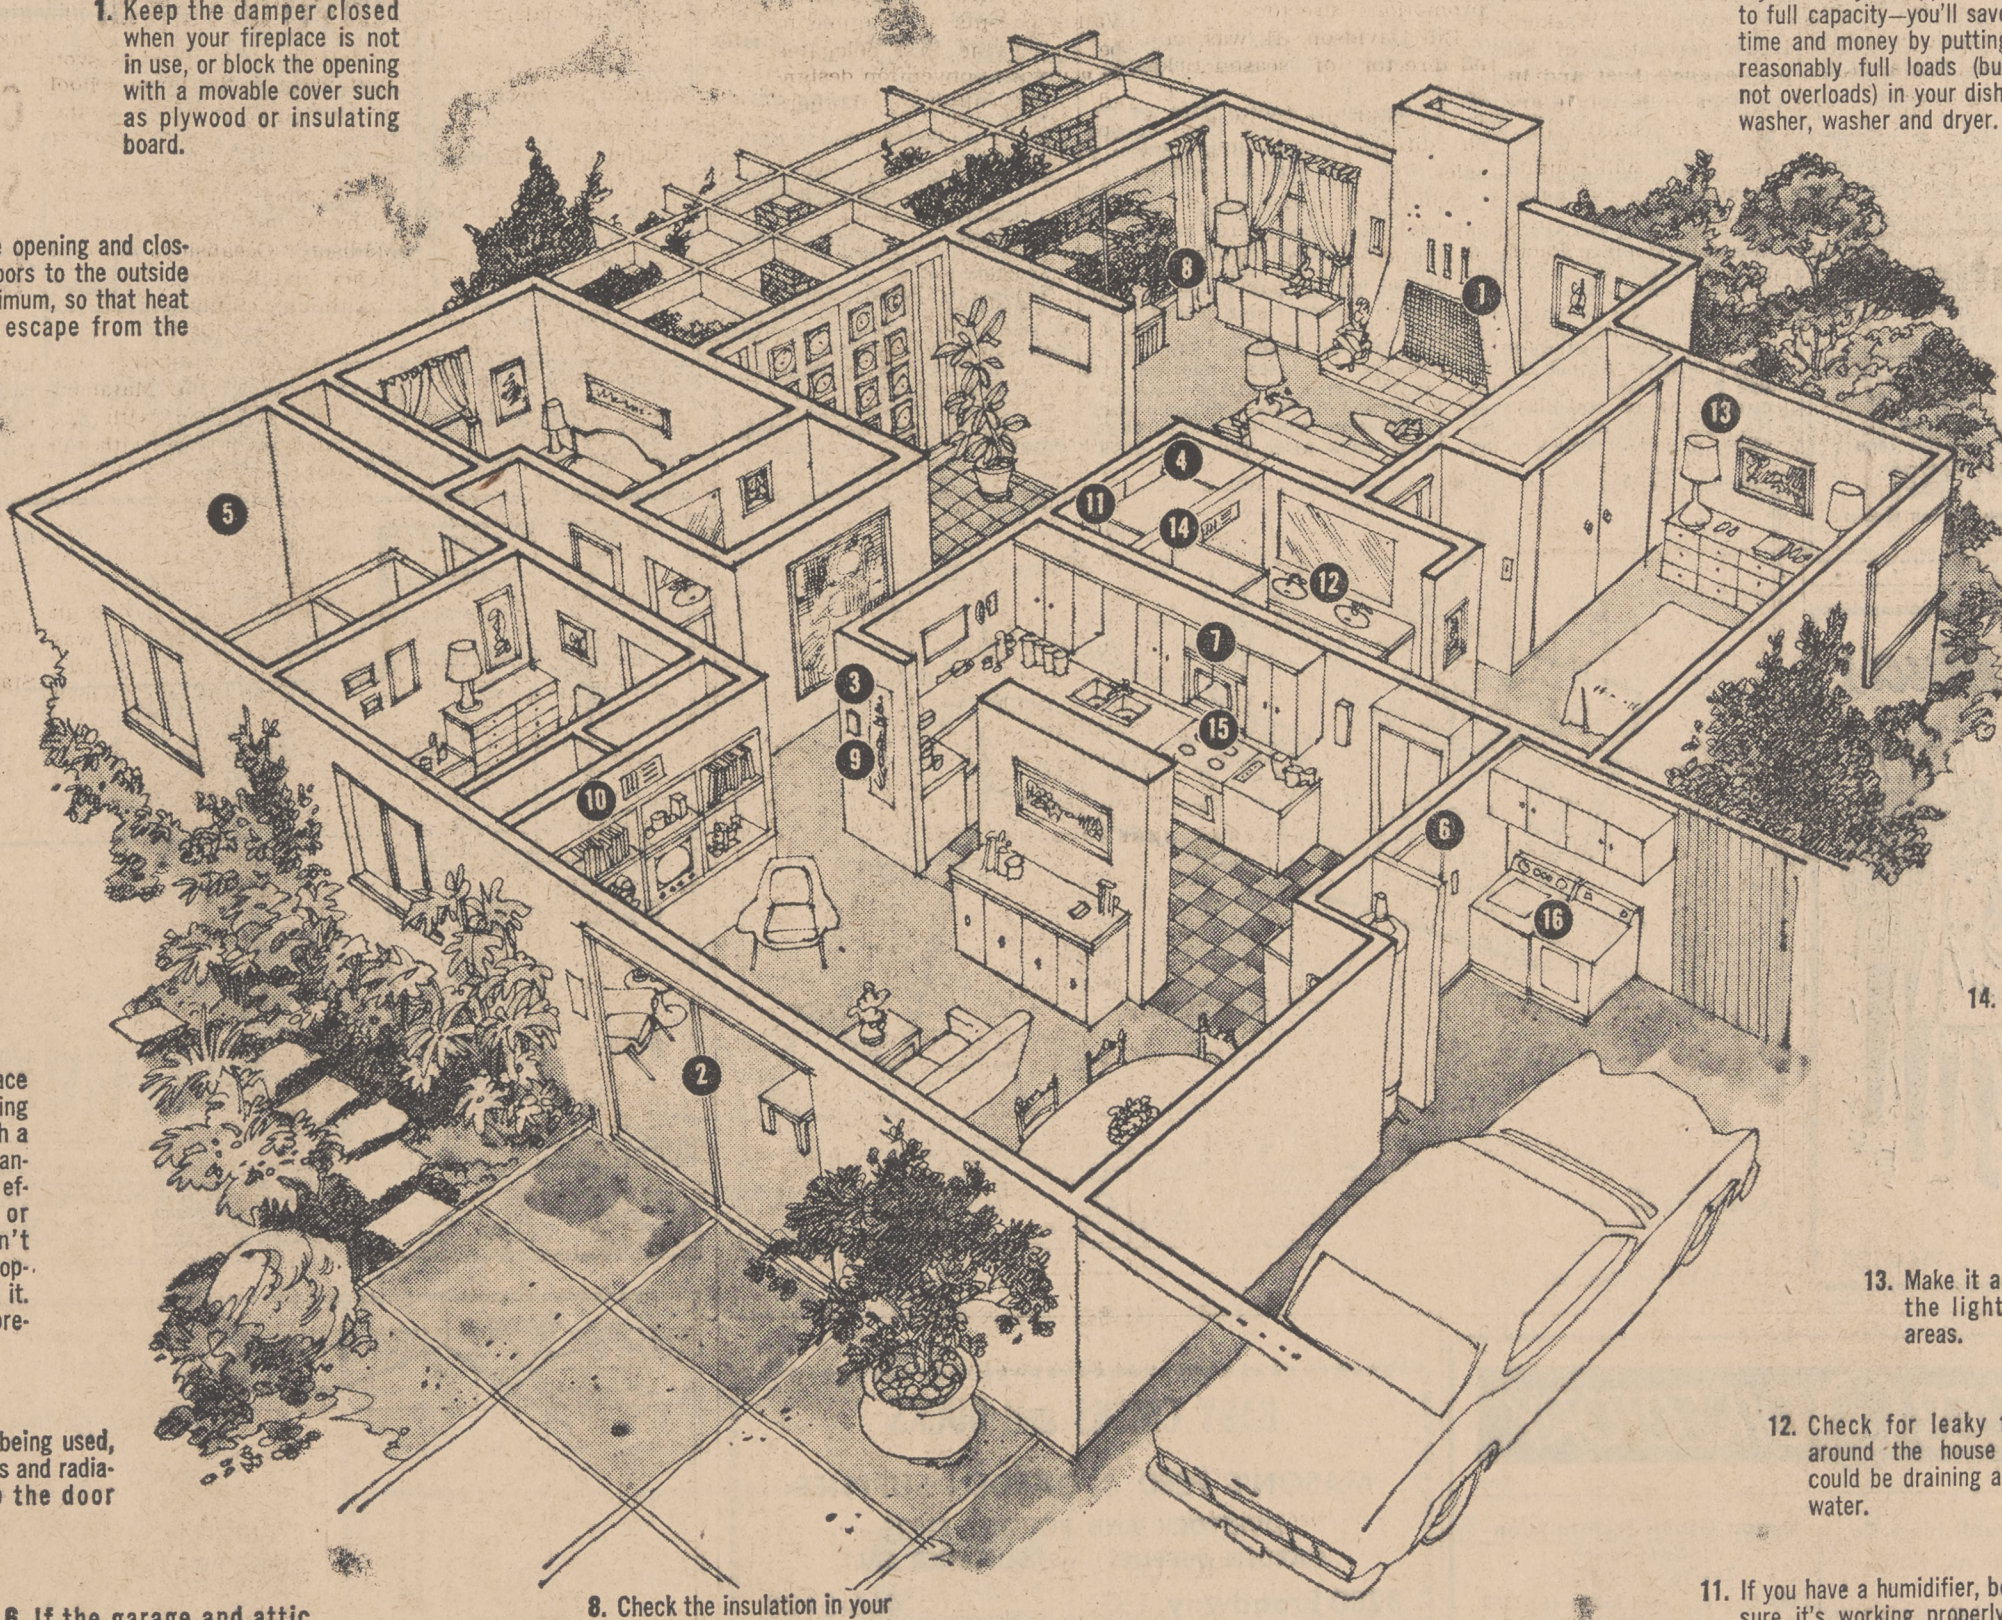

(And help conserve energy.)

Wouldn't it be nice to know you're saving on your gas and electric bills *and* helping to solve a national problem? Few of us have extra money and today many areas of our country face an energy shortage. You *can* do something about both of these problems. You *can* save on your utility bills and at the same time do your part to conserve energy.

How? Look over the illustration below. It shows a number of do-it-yourself hints to keep a check on your utility bills and help conserve energy.

We realize that something which may seem to be a "wasteful" use of energy to one person, may be essential to another. For example, some householders may find it desirable to keep one or more lights on all night in their homes as a safety measure and for their peace of mind. Others might view this as unnecessary. So, as you read these hints, please keep in mind that they are simply *suggestions* for more economic use of energy.

- 
1. Keep the damper closed when your fireplace is not in use, or block the opening with a movable cover such as plywood or insulating board.
 2. Keep the opening and closing of doors to the outside at a minimum, so that heat doesn't escape from the house.
 3. Don't waste money by playing with the thermostat. Contrary to popular belief, turning up the thermostat doesn't make the furnace produce any more heat—what it does is keep the furnace operating longer and use up more fuel. Set the thermostat at the temperature desired and leave it alone. If operating properly, the furnace will automatically turn itself on and off. Find the coolest indoor temperature at which the house is comfortable. Heating costs, for example, increase significantly for every degree above 70° that you set the thermostat.
 4. Change or clean the furnace filter several times during the winter. A furnace with a dirty or clogged filter cannot operate at maximum efficiency. If a furnace or heating system doesn't seem to be operating properly, don't try to repair it. Contact your service representative or SDG&E.
 5. If a room isn't being used, turn off registers and radiators and keep the door closed.
 6. If the garage and attic aren't heated, keep the doors closed which connect with the rest of the house.
 7. Never use a range or oven to heat a kitchen. . . it was not designed for this use.
 8. Check the insulation in your home. Seal all cracks and crevices, especially those found under the roof. Insulate the attic floor with about a 4-inch thickness of fibrous glass or exploded mica pellets or tack insulating batts between the roof rafters. If cold drafts are entering through corners, windows, doors and other areas, seal the area tightly.
 9. If you're planning a winter vacation, why not give your fuel bills a vacation too? Before you leave, turn the thermostat down to the lowest setting.
 10. Keep heaters free from obstructions. If you cover a radiator or block off a heat duct, the heat from that source is cut off and the room temperature will drop.
 11. If you have a humidifier, be sure it's working properly. Adequate humidification during the winter permits fuel saving without any loss of comfort.
 12. Check for leaky faucets around the house — they could be draining away hot water.
 13. Make it a point to turn off the lights in all unused areas.
 14. Have your air conditioning system serviced *before* warm weather approaches. If your air conditioning isn't working properly and efficiently, it will require more fuel and cost more to operate.
 15. To get the most from your range or oven with the least amount of time, money and effort, try planning meals that can be completely prepared on only one part of the range—an all-oven meal for example. Call our Home Economics Department for suggestions.
If you have a gas range, check the flame — the gas should burn with a clear blue flame with no traces of yellow. If there are traces of yellow, try cleaning the burner. If the yellow persists, call your service representative or SDG&E.
Be careful when using aluminum foil to keep your oven clean. Don't use foil in any areas in the oven where it may block the opening provided for air circulation — if this air flow is blocked poor cooking will result. Don't use foil directly under a pan — it will reflect heat away from the pan.
 16. Try to use your appliances to full capacity—you'll save time and money by putting reasonably full loads (but not overloads) in your dishwasher, washer and dryer.

PTA Highlights

Monterey Heights

The Monterey Heights PTA members are preparing surprises and grooming goblins for the Halloween carnival which will be held on the school grounds, 7550 Canton dr., Lemon Grove.

Mrs. Carolyn Pinkerton, carnival chairman, is planning the fun and games for Saturday afternoon from 1 to 5 p.m.

There will be food booths, games, a costume parade, a country store, and "fun for folks of all ages," she said.

San Altos

Mrs. John Foster, Ways and Means chairman for the San Altos PTA, announced an invitation to the community to come to the school's annual Halloween carnival. The carnival will take place tomorrow from 4 p.m. to 8 p.m. on the school grounds, which is located at 1570 Madera, Lemon Grove.

A costume parade will begin the festivities. A carnival "king" and "queen" will be chosen to lead the parade. Throughout the evening there will be entertainment for all ages with such attractions as: survey ride, "jump-for-joy," a merry-go-round, ring toss, dart game, cake walk, and a caricature booth.

Refreshment booths will be located along the midway featuring hotdogs, hamburgers, chili, candy apples, soft drinks, and coffee. Babysitting will be provided for pre-school children.

An advance ticket sale will be held this morning in the school cafeteria.

S.V. Elementary

The Spring Valley Elementary School Parent-Teachers Association last week announced that its annual Halloween Carnival will be held from 5 to 9 p.m. Saturday

evening at the school, 3845 Spring dr., Spring Valley.

According to carnival chairman Barbara Myers, the event has always been one of the favorite in the area, and this year's carnival will be the best yet. Highlights include a bazaar, snacks and refreshments, games, and prizes.

S.V. Junior High

The Spring Valley Junior High School Parent-Teachers Association has invited parents of the school's students to "Back to School Night" this evening.

According to the PTA president Reba Selby, members will meet in the cafeteria at 7 p.m. for a short business meeting to be followed by visitation of classrooms by the parents, affording parents an opportunity to become familiar with subjects taught and discuss questions with teachers.

As part of the program, refreshments will be served in the library and the cafeteria throughout the evening.

Mount Vernon

Fun and excitement intricately woven with the "eerie happenings" of witches, ghosts and goblins are guaranteed to provide an evening of family thrills tomorrow night at the Mt. Vernon Elementary School's Halloween Carnival.

Sponsored by the Mt. Vernon PTA, the event is to be held on the school grounds, 8350 Mt. Vernon st., from 5-9 p.m. and features some new ideas for all age groups, according to Carnival chairman Mr. and Mrs. Bob Nye.

Highlights include a Space Spooks House, Madam Mystic, 11 games designed to test knowledge and dexterity and prizes in abundance.

Food items conjured up for consumption are hamburgers, chiliburgers, hotdogs, chili, french fries, cake, pie, cotton candy, candied apples and sno cones while specially brewed cola and coffee drinks are available. In order to handle the expected large crowd, a revised food area has been designed for faster service.

Games include a lollypop tree, bumper car, cork gun shoot, dump the doll, pumpkin throw, fish bowl, sock it to 'em, 7-11, Jack and Jill ring toss and net your catch. All booths will be staffed by parents and teachers.

Casa Ge Oro

The Casa Ge Oro Elementary School Parent-Teachers Association announced this week that its annual Halloween Carnival will be held Saturday from noon to 4 p.m. on the school grounds, at the corner of Agua Dulce and Ramona in Spring Valley.

Among the featured attractions at this year's carnival will be the presence of the Al Bahr Shrine Clowns and the popular "jump for joy". Hot dogs and other treats will be on sale throughout the afternoon.

A special feature of the evening will be movies shown for the youngsters, including "Phantom of the Opera" starring Lon Chaney and "Black Pirate" starring Douglas Fairbanks.

Monte Vista High

The Monte Vista Parent-Teachers Association this week announced that the school will hold an open house this evening at 7:30 p.m.

Following a short business meeting, parents will be invited to visit their youngsters' classrooms, following an abbreviated schedule. This will enable parents to meet with each teacher and ask questions about course materials.

During the evening, refreshments will be available to parents and teachers in the library on campus, where members of the school's International Club will be vending.

Telephone Pioneers Fete 60th Anniversary Today

To moppets, today means one thing... only three days remain before they can don their Halloween masks and comb the neighborhood for goodies.

But to nearly 4,000 active and retired Pacific Telephone employees who are members of the Telephone Pioneers of America, the date is a special one since it marks the 60th anniversary of the organization.

Telephone Pioneers are persons who have spent 21 or more years in the service of the Bell System and there are more than 340,000 of them scattered across the United States.

The Pioneers were organized in Boston, Mass. by a group of telephone employees who felt there was a need for some sort of a social bond. And while socializing is still important to the Pioneers, within the last 20 years they have directed their efforts toward community service work.

While not all of the 3,940 PacTel Pioneers in San Diego County are active in community service work, 1,000 of them spend their spare time working on a variety of humanitarian projects.

In the East County, for instance, the Pioneers have played an important role in providing the Home for Guiding Hands with badly needed equipment.

Students have learned to communicate through a

switchboard given to the school by the Pioneers. And an "ELCODE" chair, equipped with buttons and flashing lights, enables physically handicapped to communicate. Without the Pioneers, there would have been no such device and teachers admit that some students would be erroneously classified as mentally retarded simply because they would have no way to express themselves.

Mrs. Pearl Hicks of La Mesa, a Telephone Pioneer for 12 years and three times a community services chairman, explained that the Pioneers' work knows no geographical boundaries.

For instance, there are 75 children in a Baja orphanage who eagerly await a bi-monthly shipment of papers, pencils, crayons and other writing and art material. They, too depend on the Pioneers.

Wilson Due in East County

Congressman Bob Wilson, 36th Congressional District, will be guest of honor at a "Meet Your Congressman" Dinner, Friday, November 19, sponsored by the El Cajon and La Mesa Chambers of Commerce. The dinner will be held at the Bronze Room, 8998 La Mesa blvd. in La Mesa.

The dinner will be at 7 p.m. and will be preceded by a social hour.

Astrology Talk Scheduled At Grossmont College

Grossmont College's Office of Community Services will continue its series on "New Frontiers in Parapsychology" at 8 p.m., tomorrow, in the Student Center, when Dr. Zipporah Dobyns speaks on "As-

trology as an Adjunct to Psychotherapy."

Dr. Dobyns was awarded a certificate of proficiency as a professional astrologer after successfully completing an examination by the American

Federation of Astrology in 1960. He has lectured and taught astrology since 1961 and has published "Evolution through the Zodiac" and "The Zodiac as a Key to History," two books on astrology.

X-Rated Cars Wanted Here

Cars can be rated like movies, says members of the Lemon Grove Youth Center. If it's extremely dirty it can get an X rating. Not so dirty ones get R ratings. Clean cars are G rated. The group asks local car owners to come to its car wash Saturday at the Urch Station, 7505 Broadway in Lemon Grove and help fight "smut" by getting a G rated car. It costs a buck.

Helix High Homecoming Set Nov. 5

"Try To Remember" is the theme for Helix High School's homecoming to be held November 5. The classes of 1961 and 1966 will be honored, but all alumni and friends are welcome, said Lori Schmidt, co-missioner of cultural affairs. Events will include an assembly, alumni tea, football game, and a dance. The alumni tea will be held in the "green room" at 2:45 p.m. The theme for the tea will be "Time... Where Did You Go?" Guests will have refreshments and reminisce with old school friends. Old school newspapers and yearbooks will be available. Helix will meet Mount Miguel at 8 p.m. in a football game. During halftime the homecoming court will be presented and the queen will be announced.

Senators Send Protest Letter To President

Senator Alan Cranston announced that 59 Senators — 48 Republicans and 41 Democrats — have signed a letter to President Nixon protesting the Administration's new regulations for the National School Lunch Program.

The new regulations would eliminate an estimated one million school children from getting free lunches or lunches at reduced prices, more than 100,000 of them in California, Cranston said.

Cranston, a member of the Senate Select Committee on Nutrition and Human Needs which oversees the school lunch program, was one of five Senators who originated the letter. The others were: Philip A. Hart (D., Mich.), Harrison A. Williams, Jr. (D., N.J.), Marlow W. Cook (R., Ky.), and Clifford P. Case (R., N.J.).

"Contrary to the intent of Congress," Cranston said, "the Department of Agriculture has arbitrarily revised the school lunch regulations to establish the equivalent of \$3.340 per year for a family of four as a cut-off in determining children eligible for the free and reduced-price lunch program.

"Congress clearly intended this level to be a national minimum income standard which states could exceed if conditions dictated," he said.

THE DIMMER VIEW (Cont.)

this year. We have the letters to Santa and will distribute them to anyone who would like to participate. There are always more requests for letters than can be accommodated.

If you would like a letter, or would like to help in some other way, simply contact us and you will be accommodated. If you would like to help but can't do the shopping, financial aid is welcome and someone else will do the shopping for you.

Extra cash is used for turkey, ice cream, a tree, or what ever happens to be needed at the orphanage. This year, as it has been in the past, there is a critical need for blankets, sheets and pillowcases, new or used, since the temperature falls below freezing out there. Only the smallest girls ever taste milk — and then only one glass per week, except when we come to the rescue.

Call our office at 460-0101 and give Lana Holder, the office secretary, your name and address and you will get a letter. Packages may be left off here for delivery in mid-December. The office is at 7834 Lester ave. in Lemon Grove. Last year local people gave nearly a truck load. These packages and bundles were later loaded into a large van which led the caravan to Mexico. Those of us who made the trip got back more than we gave, because these little orphan girls, some pregnant ones as young as 13 years, are loving and lonely.

It's a simple and inexpensive way to spread a little Christmas cheer where it is really needed and appreciated.

Rain Totals .21 Inches

Lemon Grove and Spring Valley received a goodly bit of precipitation over the week-end, according to reports from the Lemon Grove Fire Department's meteorology readings.

As of Wednesday noon, .21 inches of rain had fallen, bringing this season's total to 1.27 inches. As of this date last year, just .93 inches had moistened local soil.

The average yearly rainfall for this area is 8.93 inches. Rain season is from July 31 to July 31.

Lions Celebration Set

The Spring Valley Lions Club will celebrate its 17th anniversary tomorrow night at the Naval Amphibious Base in Coronado, with two members of the club receiving perfect attendance awards.

The two are Leon Green, who has been at every meeting since the club was formed, and Bill Owen, who has been at every meeting of his club for the past 22 years, having transferred from another club when the Spring Valley club was formed.

Those in attendance at the affair include Emilie Schmidt, district governor, and Robert Norton, deputy district governor.

Planning Committee Meeting Due Tuesday

(Continued from Page 1)

cludes preliminary meetings to determine community interest and seek volunteers who would serve actively.

When volunteers have been secured, an executive committee is formed, responsible to set up bylaws, boundaries, and develop a master plan for the designated area.

When bylaws, boundaries and plans have been worked up, the association goes back to the county for approval and recognition as the planning group for the area.

When approval is gained the planning group is responsible to the county and makes recommendations. Decisions and resolutions by the local planning committee are weighed heavily when the county makes its decisions regarding the area.

Since the local planning committee is responsible to the county for recommendations, it is imperative that all local citizens have the opportunity to join both the general organization and the executive committee. The single qualification for joining the executive committee is a willingness to take part in the planning of the area.

Vienna Trip Called Off By Immel

Members of the Mount Miguel High School band and orchestra will not be going to Vienna next year for the first annual International Music Festival.

Immel, band director, made the decision known at a meeting of the Mount Miguel Parents Club last week, citing increasing pressures on those who would participate as the reason for the decision.

Immel also said that the pressure of trying to raise \$120,000 for the trip was bringing about disunity among his students as well as the music parents club.

Additionally, he said, many of the students who were unable to raise the preliminary \$50 registration fee are among his best musicians. This, he said, would mean that those who made the trip would not be truly representative of the Mount Miguel musical traditions of excellence.

A rugby game which was originally planned to raise money for the trip will be held as scheduled, with proceeds to go to the music parents general fund.

Grand Jury To Study Adoptions

The San Diego County Grand Jury revealed last week that its Health and Welfare Committee is conducting a study in depth of the County Welfare Department's function in the child adoption process.

The committee is particularly interested in the area of independent adoptions, those adoptions in which the prospective adoptive parents are not selected by the Welfare Department.

Since the confidential nature of adoption records must be respected, the Grand Jury committee does not have ready access to those who have been involved with the Welfare Department concerning independent adoptions.

Lawrence Carr, Jr., Foreman of the Grand Jury, said "Our Health and Welfare Committee would welcome information from those concerned with independent adoptions during the past year who feel that their experiences might be helpful to the Grand Jury."

The Grand Jury is located in Room 7003, County Courthouse, 220 West Broadway, San Diego.

Art Books And Slides Ready At Library

East County art enthusiasts who have found it difficult to enjoy the works of their favorite artists, have a new rallying point in the La Mesa Library.

The library last week announced that it has obtained art books with accompanying slides as an addition to its already formidable collection of art prints.

In addition to books and slides on individual painters and sculptors, there are many books which concentrate on the various schools, forms, periods, and countries of art, according to Karen Chadorech, La Mesa librarian.

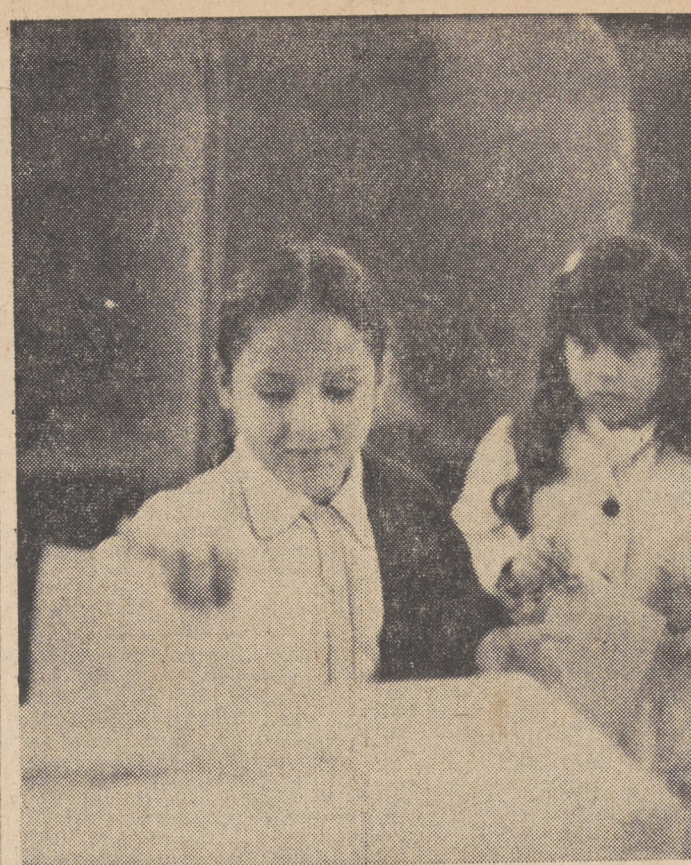

The La Mesa Library is one of three in the county that offers the program.

WEDDING SET — Miss Ardyce Ann Holmberg, daughter of Mr. and Mrs. Alf Holmberg, of 8224 Golden ave., Lemon Grove, will become the bride of Fred T. Rogers, III, of China Lake, California, in a November 13 wedding in Ridgecrest, California.

The bride-to-be is a graduate of Mount Miguel High School and San Diego State College, and is currently employed at the Special Weapons Center at China Lake. Her fiancé, a College of North Carolina graduate, is also employed at the Special Weapons Center.

The newlyweds will reside in China Lake. A reception is planned for November 20 at the home of the bride's parents.

YOUNG VOTER — Ivone Castrejon casts her ballot in the ballot box at the Golden Avenue School, while Marlene Williams awaits her turn. The two girls were among students in grades one through six who voted October 15 in a general student council election.

Coupons To Go For Guide Dog For Blind Vet

The Lemon Grove Woman's Club is sponsoring a drive to collect Betty Crocker coupons in an effort to secure a seeing eye dog for a blind Vietnam veteran, hopefully from San Diego County.

Under the program, the club will try to collect 600,000 coupons, which will be sent to General Mills. The company will then write a check for the amount of money value of the coupons to the Guide Dogs for the Blind Company of San Rafael, a non-profit organization.

Each coupon collected is worth half a cent, and 600,000 will be needed to pay for one dog, which is worth \$3,000.

According to Mrs. William S. Sayward, Armed Forces Chairman of the Lemon Grove Woman's Club, local services clubs, such as the Lions Club and the Optimists, are expected to play a key role in collecting coupons.

Anyone who would like to collect coupons for the project may phone Mrs. Sayward at 469-5917. Mrs. Sayward indicated that collecting coupons may be a good activity for local senior citizens.

Scout Days Set At Sea World

Annual Girl Scout and Boy Scout Days at Sea World have been scheduled for November 6-14 and November 20-28, respectively, at the 80-acre San Diego marine park.

A special schedule of shows will be in effect for both occasions. Discount rates will be featured for all scouts, their families and guests, and one adult will receive complimentary admission with every group of 10 juniors and children. In addition, each participant will receive a free ride on the Skyride, ARCO Hydrofoil boats, or PSA Skytower.

Girl Scouts from throughout Southern California will visit Sea World for their fourth annual special event, when thousands convene there between November 6-14. Boy Scouts will follow up with their seventh special Sea World visit during November 20-28.

Mexican Folk Art Shop Is New Business

Valerie Halverson, a Britisher who has spent a good deal of time in Latin America, has joined Lemon Grove's business community, opening a Mexican folk art shop in the Alpha Beta Shopping Center.

Mrs. Halverson

The shop, "Tolan Artesanias", is located at 7141 Broadway and deals in such items as Mexican wedding shirts, pinatas, and wrought iron art.

Mrs. Halverson moved to Lemon Grove four years ago and was employed with Stanley Andrews Sporting Goods here before opening the business.

She plans a trip to Mexico this week to pick up some pieces for sale at Christmas time, she said.

Griffen Seeks Reelection

district's co-operation.

"Excellent," said Lemon Grove Fire Chief Fred Dixon. Helix has upgraded and improved water delivery standards at our hydrants. That is vital for fire fighting.

"And the engineers are top-notch. We have been able to plan together. It's the kind of co-operation which helps make our fire district one of the best in the state."

Several citizen committees have voluntarily sprung up to support Griffen. One is a letter-writing group; another is a telephone group.

"One of the problems of having a well-run, efficient district is that apathy attends the elections. Doing a good job doesn't bring a heavy voter turnout. That means that a small organized clique can steal an election.

"I stand on my record both at home and at state level. I urge those who want a continuation of good water district government to go to the polls."

Lake Arrested In L.G. Cafe

Craig O. Lake, 24, of La Mesa, was arrested in a Lemon Grove cafe last week on charges of interfering with the duties of a peace officer.

Lake, who listed himself self-employed at 7917 Broadway, Lemon Grove, was arrested after sheriff's deputies asked him to leave the cafe several times and he refused, reports said.

Deputies were at the scene after a complaint was phoned in about loud music at the cafe.

Record Earnings Set

Imperial Corp. of America's nine-month consolidated net earnings were \$9.8 million, the highest for any like period in the company's history and an increase of 49 percent over the \$6.6 million earned in the first nine months of 1970, Jack H. McDonald, president, announced.
